

Shorebird Pinwheel!

1. Cut along the four sides of the square to separate it from this sheet. Make the cuts along the dotted diagonal lines.
2. Fold the 4 colored tips that don't have birds on them into the center.
4. Punch a hole through the center and the tips of the 4 folded corners.
5. Gather the 4 points in the center, and connect them using the brad.
6. Punch a hole in the paper straw and attach it to your pinwheel.

You will need:

- 1 paper straw
- 1 metal brad
